Infiltrator Acquires Presby Environmental Inc.

Infiltrator Expands Business with the Addition of Enviro-Septic® Technology

Old Saybrook, CT – April 17, 2019 –Infiltrator Water Technologies, a leading manufacturer of products for the decentralized water and wastewater industries, today announced the purchase of Presby Environmental Inc. Presby Environmental manufactures the Enviro-Septic®, Advanced Enviro-Septic®, EnviroFin™ and other wastewater treatment technologies.

“We are excited to be able to expand our products with the proven Presby Environmental product line. The family of Presby Environmental products compliments Infiltrator’s core business and helps to strengthen our industry leadership position. The combination of Infiltrator and Presby Environmental supports our vision to re-imagine and revolutionize onsite water management” said Roy E. Moore, Jr. President & CEO of Infiltrator Water Technologies.

About Infiltrator Water Technologies

Infiltrator Water Technologies manufactures and sells multiple product lines that meet stringent environmental and regulatory requirements for decentralized wastewater and water systems. The Infiltrator team built three of the world’s largest injection molding machines in-house which produce a number of the largest injection molded parts in the world. Through its subsidiary, Champion Polymer Recycling, Infiltrator is a leader in the use of “green materials” including post-consumer and post-industrial recycled plastics for the manufacture of products at our ISO 9001 registered manufacturing facility in Winchester, KY. The company competes on innovation through 150 granted or pending patents. Infiltrator is a portfolio company of Ontario Teachers’ Pension Plan.

The Ontario Teachers' Pension Plan manages CAD\$191.1 billion in net assets. Teachers' is the largest single-profession pension plan in Canada. An independent organization, it invests the pension fund's assets and administers the pensions of 311,000 active and retired teachers in Ontario. Teachers' is headquartered in Toronto with operations in London and Hong Kong and an office in New York City. For more information, including Teachers’ annual reports, visit <http://www.otpp.com>.
